15.10.18

Dear Mrs Johnson

In response to your letter of 9.10.18 requesting a Block Plan amendment highlighting the position of the 2 bay windows which we are seeking to replace, please find enclosed a drawing and both the block and location plans indicating their position.

The Design and Access Statement and the Heritage Statement will both be written by a local Architect, Victoria Holland and should be with you in a few days. She will be emailing it to you on the address you mentioned.

Please do call me if there are any further issues and I will try to resolve them as quickly as possible.

Many thanks,

Yours sincerely,
