This application is submitted under Part 16 of Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) and is in accordance with the Electronic Communications Code (as amended).

This is an application for a determination as to whether the prior approval of the Authority will be required as to the siting and appearance of the development.

This application is submitted for and on behalf of the mobile operator H3G LTE (Three UK) for:

Proposed installation of 15.0m high Phase 9 Monopole, 6no. antenna and 2no. equipment cabinets with associated meter cabinet and ancillary development thereto.

For your further assistance, we enclose additional information: -

- Prescribed fee
- Copy of Developer's Notice, and proof of delivery
- ICNIRP declaration and clarification statement
- Supplemental drawings
- Site Specific Supplementary Information
- Additional documents

This application has been prepared in accordance with the Code of Practice for Wireless Network Development in England (March 2022).

The enclosed application is identified as the most suitable option that balances operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any reasonable additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Should you have any queries regarding this matter, please do not hesitate to contact me (quoting cell number: ARN26194).

Yours faithfully,
