Ref 15773

For the attention of Planning Dept.

Dear Sirs

Wide Horizon, Waters Edge, Aldwick, West Sussex, PO21 4AW

This letter accompanies a new planning application for a part revision to the scheme approved under application reference no. AW/208/15/HH.

For clarity the above application number permits a 2 storey extension to the Southwest, a single storey first floor extension to the Southeast, changing the windows and doors from PVCu to triple glazed aluminium clad timber casements, and a material change to the main elevations of painted brick and stonework to smooth render.

The revised scheme is largely unaltered, apart from the 2 storey extension to the Southwest, being reduced in height to be single storey, with the addition of a pool at lower level to the South. The other items of work are the subject of an independent discharge of condition application.

I trust the above is clear, and please don't hesitate to contact us for any further clarification.

Yours sincerely

David Fuller
