Dear Mr D Fuller

04 February 2016

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015
Application for Planning Permission for Works or Extension to a Dwelling

Development Single storey rear extension & swimming pool . Revision to part of scheme previously approved under planning application No. AW/208/15/HH

Location 11 Waters Edge Aldwick,,

In acknowledging receipt of the above application, I informed you that the target date for determination of the application was 17th January 2016. Whilst every endeavour will be made to still reach a decision on your application within the statutory time it may not be possible to meet this timescale because the case officer for this application has been unexpectedly and unavoidably away from the office since 07 Jan 2016 and has only recently returned. Due to this, shortage of staff and a high number of incoming applications there is a backlog of cases to be determined. A further period of 22 days from the date of this letter is therefore required in order complete consideration of this application and to issue a decision.

I am therefore writing to ask you to formally agree to extend the period for deciding your application until 26th February 2016.

Please indicate your agreement by signing and dating the response slip at the end of this letter and returning it to me by 11th February 2016. Please retain a copy of my letter for your records.

If you agree to the extension of time, an appeal against non determination cannot be made until that extended period has elapsed.

Yours sincerely

Karl Roberts
Director Planning & Economic Regeneration
