Subject: RE: Planning Consultation on BE/6/16/DOC - WSCC Highways Response

The Local highway Authority (LHA) has been consulted on the above application for the discharge of condition 10 attached to permission BE/94/15/PL.

Condition 10 – Wheel washing
Marbank Construction Limited has provided detail regarding construction vehicle cleaning. It states that site demolition and clearance has already taken place, with clean hardcore placed across the site. It also states that should debris be deposited on the highway this will be cleared by use of a road truck. If there is a risk of material being tracked off site, a jet washing facility will be provided at the site entrance or at the location of the works in hand. In addition to this the mechanical road sweeper will also be employed where necessary. This facility/arrangement will remain in place thought out the construction period.

Summary
The LHA are satisfied with the information submitted in support of Condition 10, this can now be discharged by the Local Planning Authority (LPA).

Emma Waters
Assistant Planner – County Highways
