Dear Anita

With regard to Planning Application AB/107/14/PL, As one of the Arundel Ward Member's I felt duty bound to visit Brooklands to meet the owners and glean information regarding it's model and operating practices

I know this property has been controversial in the past with previous owners operating in abrasive manner, but I feel Brooklands has an important role to play in local tourism and generating visitors, I feel the way the current owners are operating encouraging families is conducive to creating a peaceful neighbourhood and is helping the local economy, so on this basis I support the application,

Cllr. Best Regards
