Note for Contractors
This drawing should be considered along with the Pre-construction Information (PCI).
Pre-construction Information: This information will include details of the SIGNIFICANT risks which fabrik has identified which may arise from constructing their designs shown on the drawing. A fabrik risk is defined as a significant risk to the typical risks associated with doing this work.

Note for Workers
DO NOT START YOUR WORK unless you know WHAT TO DO, HOW TO DO IT and HOW TO DO IT safely (including SAFE SEQUENCES OF WORK and EQUIPMENT).

Do not reuse copies of parts of this drawing without the above Note for Workers (unless you are sure that the Workers can undertake the work safely).
