Note for Contractors
1. This drawing should be considered along with the risk information contained in the CDM Pre-construction Information. This information will highlight any hazards that the Designer at fabrik has identified which may arise from constructing their designs shown on this drawing. A Competent Contractor should be aware of the typical risks associated with doing this work.

Note for Workers
2. DO NOT START YOUR WORK unless you know that it is safe to do so. Hold up the work on this drawing (including SAFE SEQUENCES OF WORK and EQUIPMENT).

3. Do not issue copies of parts of this drawing without ensuring that it is the complete version and ensure that the Workers can undertake the work safely.
