Is the proposed operation or use

☐ Permanent ☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The change of a window into a door on a rear elevation of a small block of flats so as to allow direct access to the garden that adjoins the flat will not affect anyone or reduce or impact anyone's access to the garden. Other flats in the block on other side of the garden already have full height windows/doors that allow them direct access to the garden so there can be no objection in principle. I have consulted the adjoining property owners and they are in favour of this change of the window into a door.

6. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☐ Yes ☐ No

It is an important principle of decision-making that the process is open and transparent.

☐ Yes ☐ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
