Dear Sir/Madam,

Case Officer: Andrew Wood

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Application No: AB/107/20/L
Site Address: 63 High Street Arundel BN18 9AJ
Description of works: Listed building consent for alterations to previously approved rear windows.

Thank you for your internet representation made on 26th October 2020 which has been recorded as no objection with the comments as follows:

OWPC30672

The loss of any sash windows is regrettable given the age and style of this listed building. However, given the limited public views of the elevations containing the fenestration changes from the originally approved proposals, there will be no adverse effect on the character or appearance of the conservation area.

The degree of impact on the character of the listed building needs to be assessed but that falls outside the remit of the Panel.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
