Planning application B/4/10/TC. Remove 14 Leyland Cypress .2 Holly and I Laurel within the Burpham and Wenham Conservation area at The Splash 102 Wepham. Burpham BN18 9RE.

Thank you for your recent memo regarding the above application.
I have had a look at the existing trees which form part of a very untidy line of conifers and other evergreen species, none of which will ever be returned to a state of being manageable.I have no reason to place them under a preservation order, noting that the replacement plans for a better maintained county garden.

I hope this will be of help to you.

Arboricultural Officer.
