Dear Planning

I normally do not comment if there is no objection from the Parish (Arundel Town Council),

But I have been lobbied by a particular Town Councillor so feel I should comment.

I know this email is past the deadline, so the committee should decide what weight to give to this email.

As Ward Councillor I wish to urge the Dev Control Committee to look at the size of the development and the impact on the next door Grade II listed cottage (No 36 King Street).

I think there is scope for officers to work with the applicant to improve the design and impact of the application particularly to light issues. Whether the committee decides to adjourne the application

Best Regards

Cllr Paul Dendle

Arundel & Walberton ward Councillor
