Dear Sir/ Madam,

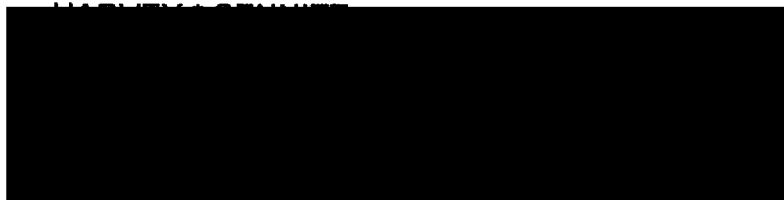

**Retention of existing timber shed to rear of 4 Orchard Place,
Arundel, BN18 9BP.
Planning ref: AB/10/15/HH.**

Following receipt of your emailed letter dated 9th February, which was emailed to an incorrect address and only received on 20th February, we enclose for your attention 4 copies of a block plan.

The plan is drawn to a scale of 1:500, and the information required on the "national validation requirements" are already shown on our previously submitted drawing No. 2124.1 ie. Dimensions to boundaries, and heights and positions of boundaries to the new shed.

If you have further queries no doubt they can be raised by directing them to the writer on the email address shown above. We trust the above will now allow our application to be validated.

Yours faithfully

Peter Sennitt
