Dear Mr. Davies,

Application for a non material amendment following a grant of planning permission FN/72/08 for revised south elevation (following commencement of works), Revision of materials to remove timber boarding and replace with brick flint and barbecue added to south elevation, with log store below, Averys House, 56 High Street, Findon

Thank you for your letters dated 20th January 2010 and 7th January 2010 and the attached plans drawings nos. 07108/501 Revisions C and D.

I am unable to take the drawings submitted as a non material amendment to planning permission FN/72/08. This is on the basis that the submitted proposed ground floor plan does not indicate the existing store structure, although the site plans indicate its provision and retention. In addition the proposed materials to be used in lieu of the boarding are not detailed and the manufacturer detail and brick colour would need to be included on any amendments proposed.

I trust this information is of assistance.

Yours sincerely,

[redacted]

Anita Gardner
Principal Planner
