Dear Neil,

Thank you for your email and I am afraid that I cannot amend/upload revised plans to the application on the Planning Portal. Therefore, please see the attached block plan and Floor Plan as requested.

The property was originally called Chappins however, the new owners changed the name with the local council to The Coachmans Cottage. Planning Portal would not allow me to insert The Coachmans Cottage hence the application is under Chappins. Please can you amend to show the correct property address. Thank you for removing the demolition on the application.

If you need any further information, then please do not hesitate to contact me.

Kind Regards,

Max
