Dear Ms. Burrows,

I thank you for your letter of 7th October.

Mrs. Jones has given me the following information about the proposed works to the trees:-

1. Crown reduction to 5 bay trees A, B, C, D and 2, on the plan, on the boundary, to 3 metres and reduction of branches (overhanging the pavement) by 2 metres.
Roots are cracking the pavement and may cause damage to water pipes and drains inside the garden. Mrs. Jones was advised in 2004 to maintain these trees at their then size.

2. One oak tree - crown reduction by 2 metres, removal of dead branches and shortening of those branches which overhang the roof of the house by one metre.

3. White hawthorn - reduce crown by 2 metres and remove branches overhanging pavement by 2 metres; roots could possible damage foundations of the house.

Yours sincerely,

William Jones
