Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)
The Town and Country Planning (Tree Preservation Order) Regs 1999
Hedgerows Regulations 1997

Crown reduction of one no. Holm Oak (Quercus Ilex) tree.
Hayleys Corner 14 Limmer Lane Felpham

Thank you for your internet comments made on 18th October 2010 and recorded as follows:

> *The Tree warden for Felpham advises that the crown of the tree is very large and wide, shutting out light from the house, road and garden and affecting the guttering. His recommendation therefore is that bthe crown of the tree should be reduced by 50% in order to remedy the issue above. The work to be carried out by a qualified tree surgeon.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
