Dear Ms Holland,

I write in relation to the above application for which I am the case officer. Unfortunately, the LPA are currently without a Conservation Officer or Listed Buildings advisor and as such we are still awaiting comments in relation to the impact of the proposal upon the setting of the Listed Building. The new Conservation Officer is due to start at the Council on the 20th October and it is hoped that comment can be received and a decision issued by the 27th October 2017. Therefore, I would be grateful if you would provide written confirmation of your agreement to an extension of time until the **27th October 2017**.

I apologise for the delay in the determination of this application but please do not hesitate to contact me should you have any further questions. I have also spoken with Arundel Town Council who are due to consider this application at their next Environment and Planning Meeting on the 19th October 2017.

Yours Sincerely,
David Easton
