Dear Ms Holland,

I apologise for the additional delay in the determination of this application. However, comments have been received from the Council's Conservation Officer and a recommendation report for approval has been completed. Due to team leader absence this application was not signed off last week. It is with a team leader today for sign off and I would expect a decision to be issued by the end of today.

Therefore, I would be grateful if you would agree to an extension of time until today (6th November 2017). I again apologise in the delay in the determination of this application.

Yours Sincerely,
David Easton
