Damian, I've been passed a consultation request for the discharge of conditions for the above. Whilst there is a degree of duplication between conditions 3 and 4, inasmuch as both require details of cycle storage, I would confirm that based upon the details provided the Local Highway Authority are satisfied that the cycle storage element of the conditions have been met. The conditions do also make reference to refuse/bin storage, I'll leave this element of the condition to the Planning Authority to pass comment on before discharging these conditions.

Kind regards

Ian Gledhill
