Dear Mr Hawkins,

Happy New Year

I apologise for the delay in your application. I am writing the application up as we speak. Currently the application is being written up with the recommendation to be approved conditionally. I am hoping to get the application written up completely today so would hope to have the application signed off by the end of the week. Would you be agreeable to an extension of time until the end of the week 10/01/2020?

Please can you confirm you have received this email as it appears the servers here are having some issues with this email chain.

Kind regards

Finlay
