Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Proposal to convert a redundant coastguard tower to a residential property to include a change of use.

Littlehampton Coastguard Tower The Promenade Arun Parade Littlehampton

---

Thank you for your internet comments made on 6th August 2009 and recorded as follows:

> *The Town Council strongly objects to this application with the proposal to convert the Coastguard Tower to a residential property being wholly out of keeping with the location and a very dangerous precedent which could be destructive to the town's seafront.*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Karl Roberts
