Dear David,

I don't really know what to say, has the new conservation officer not stayed in the post, why this further delay?

We really have no choice but to accept your extension until today.

Our clients have suffered many delays with this application, through no fault of their own, I do hope that the Listed Building Consent Application will now be issued today, we keep being told a decision will be issued the latest by 'such and such' a date and then it changes.

On a personal note I want to thank you for following this up as I do appreciate that without adequate cover a higher workload is falling on you, but in terms of a good service being received from Arun Council I cannot say I'm impressed.

With kind regards,

Ann-Marie Huggins

Dear Ms Holland,

I have just been made aware that this Listed Building Consent application had not been issued. The report has been completed and a recommendation for approval has been made.

It is currently with my team leader awaiting sign off and it is intended for a decision to be issued tomorrow at the latest. Therefore, I would be grateful if you would provide written confirmation of your agreement to an extension of time until the **22nd November 2017**.

I apologise for the delay in the determination of this application but please do not hesitate to contact me should you have any questions.

Yours Sincerely,
David Easton
