In certain circumstances a claim may be made against the local planning authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 27 of the Planning (Listed Buildings and Conservation Areas) Act 1990.

b) to add new conditions consequential upon any such variation or discharge,

Appeals must be made on a form which is obtainable from the Planning Inspectorate at the address referred to above.
