WEST SUSSEX COUNTY COUNCIL **DATE: 12/12/2014**
STRATEGIC PLANNING CONSULTATION

FROM: Ian Hayward **TO: Arun District Council**
FAO: Mrs A Gardner

SUBJECT: LU/339/14/A - 1 No non-illuminated free standing lawn board.

Junction of, Bridge Road and Ferry Road, Littlehampton, West Sussex

DATE OF SITE VISIT: n/a

RECOMMENDATION:

☑

☑ **Advice**

S106 contribution total: n/a

I refer to your consultation in respect of the above planning application and would provide the following comments.

I can confirm that the location of the proposed sign is land considered to be publically maintained highway.

The sign is in a location which could be a distraction to drivers at the junction of Bridge Road (A259) and Ferry Road.

Any object located within publically maintained highway must be supported with an appropriate Highway Licence. The applicant should be aware that WSCC does not support the placement of private advertising on publically maintained highway. Even if planning consent were to be granted the applicant would not be permitted the required highways licence for placement of the proposed signage. Any such signage would be in breach of the Highway Act 1980 and subject to enforcement action.

For the reasons above WSCC raises an objection to this proposal.
