Thank you for your application received on 17th October 2013. I am writing to acknowledge that it was accepted as a valid application on 17th October 2013. On receipt of this letter if you have any concerns about the way that the Council has described your application you should contact the Case Officer: Mr J Smith, who will be dealing with your application, to discuss the matter.

You can follow how your application is progressing on the Council's website:

www.arun.gov.uk/planning.

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 14th November 2013. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of Planning Committees.

You need to be aware that there is no right of appeal against the Council's decision on this particular type of application.

This acknowledgement only relates to this application and not to any other applications you may have made, or may need to make to the Council, for example Building Regulations approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required please visit the government's website www.planningportal.gov.uk or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control Services offered by Arun District Council please see www.arun.gov.uk/buildingcontrol/
