Dear Anita,

Condition 3 (Construction Management Plan)

Having reviewed the document entitled 'Ellis Close, Arundel, Proposed Three Dwellings Construction and Environmental Management Plan, project number: EW/ew/9506-2' (dated 24/08/2021) [produced by unknown], I find the document to be broadly comprehensive and I am satisfied that the requirements of the condition have been met. I therefore recommend approval of the Construction Management Plan and recommend discharge of condition 3.

Sincerely, Craig
