ARUN DISTRICT COUNCIL.

Dear Sir,

I am writing to oppose the job planning application AB/115/14/OUT at 12-14 CANADA RD ARUNDEL.

Having lived at 2, CANADA RD for over 50 years, I was amazed to see that planning permission had been applied for 2 semi detached 3 bedroom houses to be built in front of houses 12-14 CANADA RD, across the central path. In all the time I have lived here, the proposed area has been open plan front gardens. Surely this would have a detrimental effect on nearby properties, & would look completely out of place.

Yours faithfully,
