Morning

Simon – I understand from Paul Elliott and Mark Coates that you have an application for two houses to be built on the land in front of 14 / 16 Canada Road. They have stated that there is parking across the road which neighbours have contacted us about.

There is no parking there and this is Housing Land. They shouldn't really be parking anything on that land. We will be arranging to have the small wooden marks moved out to show this. Please let me know if you need any further details

Regards

Justine
