Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2010 (as amended) - Article 4

Outline application with some matters reserved for 2No. 3 bed semi detached houses
12 & 14 Canada Road Arundel

Thank you for your internet representation made on 3rd November 2014 which has been recorded as '**an objection**' with the comments as follows:

Dear Sir/Madam,
I strongly object to the planning application for 2 semi detached houses to be built in Canada Road (AB/115/14/OUT). I understand the need and pressure for more houses to be built in Arundel but Canada Road is not a suitable place. The houses will look out of place and spoil the history and character of the road and neighbourhood. The buildings will severely affect the existing residents and will ruin the view from the dinning room, lounge and bedrooms as they will be looking out directly onto a solid fence and brick wall. The building will also cause severe disruption to the neighbourhood and particularly affect many of the elderly residents. The area is not suitable for houses, it is small and not designed to be built on.
Yours faithfully,
Lauren

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
