Dear Miss Long

Sorry I missed your call, I rang this morning and your office suggested it might be better to email you as you were away from the office.

I have had the response from our Listed Buildings Advisor regarding the above applications, his comments are attached for your information. He has made objection to part of the application, namely the proposed vinyl decoration as it would detract from the character of the listed building. As such I would kindly request that this be omitted from the applications in order to gain permission for the other signs which are appropriate.

Please let me know if this would be acceptable as currently the application as it is would be refused given the impact upon the listed building. I shall await your response on this prior any decision being made on the application.

If you wish to discuss the above concerns please contact me on the number given below.

Kind regards
 Peter

Dear Sue,
Just catching up with e-mails and I have been asked to respond on behalf of the Chamber of Commerce with regard to the Pizza Express application for an illuminated sign.
I would just like to confirm our opposition to such a request which we feel would be another contributory factor in the erosion of the uniqueness and charm of our town.
It is precisely the absence of such features which stands us apart from all the other "generic" U.K. High Streets !!
Please add our voice to your case against their application.
Sincerely,
Ian Fenwick.
