Dear Sir,

Re: Tree pruning at Arundel Roman Catholic Cemetery, London Road, Arundel

I am writing giving notice of our intent to undertake the following tree pruning within a designated Conservation Area:

1. **Horse chestnut** – remove small-diameter low branches to provide clearance of 1m above lychgate.
2. **Horse chestnut** – prune to clear streetlight and remove small-diameter branch extending low over the cemetery.
3. **Turkey oak** – remove selected small-diameter branches to raise crown to 2.5m.
4. **English oak** – remove selected small-diameter branches to raise crown to 2m.

The trees are in the grounds of Arundel Roman Catholic Cemetery and are shown highlighted on the sketch plan overleaf.

Please do not hesitate to call me should you require any further information.

Yours sincerely,
