Ref; New Storage Garage, Yapton Scout Headquarters

Dear Sir

As required with our planning application, I would like to offer the following as the design and accessibility statement for the above proposal.

The new garage will be used for the storage of the Scout Groups minibus, canoes and ancillary equipment. The equipment will be used on a regular basis as required by the adventurous programme that the members of the Scout group take part in.

I hope this clarifies our proposal.

Yours Sincerely

[redacted]

Andy Jones
