Good morning,

Looked on line and location plan now shows all of the areas that were required to access and fit the windows from the front and rear.

Dear Mr Roach,

Thank you for the additional information and getting back to me so quickly.

Unfortunately we need the red edge on the location plan to go around the whole boundary of your site.

ARUN DISTRICT COUNCIL Y/94/14/PL

I am now on leave however when you send the revised plan in one of my colleagues will be able to assist.

Many Thanks

Charlotte

Good afternoon Charlotte,

Please find the requested information attached , I have number the windows "New Window 1 , NW1 etc" this should make it easier.
I know its difficult to tell the new from the old due to the design being identical.

The block plan now also correlates to NW1 , NW2 etc .

If you require any further information, pleas do not hesitate to contact me.

Regards

Dear Mr Roach,

Thank you for your email and attached plans.

Unfortunately there are some issues with the documents you have submitted.

Please could you red edge the site on the Location Plan you have submitted, this plan is at a scale of1:1250.

Please could you indicate on the Block plan (scale of 1:200) the position of the windows that form part of this application.

Lastly, on the Window report please highlight which windows form part of this application.

Many Thanks

Charlotte Burrows

Good evening
Please see attached plans from OS and reference below.
I have also attached the photographs again , the new replacement windows are shown as follows.
Item 2 Ground floor windows
Item 3 Both ground floor windows
Item 4 Both ground floor windows
Item 9, 3 ground floor windows to front of property

Please note there are 3 x windows to the front and 2 x to the rear , a couple of the pics only show two of the front windows but there is a very clear pic of all 3 in item 9

Regards
James Roach
