Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AB/118/20/PL
Site Address: 70A Tarrant Street Arundel BN18 9DN
Description of works: Extension to form 2 No. self contained apartments. This application may affect the setting of listed buildings, affects the character & appearance of the Arundel Conservation Area & is in CIL Zone 2 & is CIL Liable.

Thank you for your internet representation made on 28th November 2020 which has been recorded as an objection with the comments as follows:

OWPC31742

During the 18th and 19th centuries Tarrant Street developed as a mixed-economy quarter, with a mix of residential, commercial and workshop premises. This mixture has been reflected in a very varied architectural streetscape, with buildings of different styles and sizes, different frontages, and different roof heights. A defining feature of the town has always been the contrast between the calm, residential character of Maltravers Street above, and the lively, artisan character of Tarrant Street below.

The proposed development threatens to bring Tarrant Street closer to a homogenous residential style, out of character with the street's history and the town's distinctive built environment.

Your views as made above will be considered before the application is determined.
