Subject: 70a Tarrant Street proposed development

Good Morning,

As a frequent visitor to your lovely town I write with dismay at the proposed insensitive and unnecessary development at 70A Tarrant Street.

Your town's greatest asset for visitors like me, is the way it is so well maintained and preserved historically respecting the wonderful early architecture. That is the main reason visitors come and any change to this will mean the erosion of that and the dwindling of visitors , who after all bring a good deal of revenue to your town.

I beg you to seriously consider these issues not just aesthetically but pragmatically and fiscally too. Arundel will not survive if it's turned into another faceless developed-over town. Its USP will be lost.

I strongly object to the proposal.

Yours Sophia Hughes
