Dear Mr Wood

I would like you to register myself and my wife as vehement objectors to the proposals set out in the above Planning Application for the following reasons.

- 1 The plan would represent a serious disadvantage to neighbours by severely restricting their access to light
- 2 Tarrant street is unique in its mix of period architecture with differing roof levels. An infill of questionable architectural quality would cheapen the appearance of the town.
- 3 It would appear that the applicant's intention is not for self housing but solely for personal gain, surely an unwarranted reason to damage the look of a historic town.

Yours sincerely Christopher and Jennifer Carr-Jones
