Subject: PLANNING APPLICATION 70a Tarrant Street - Ref no. AB/118/20/PL

Dear Mr Wood

We write in reference to the planning application ref number AB/118/20/PL proposed for 70a Tarrant Street, Arundel BN18 9DN.

We write to voice our strongest objections to the plans for development of this site. As homeowners in very close proximity to the site, we know that the proposed development would decrease our natural light, would increase the already over-stretched parking availability, and would further abuse the water table and sewerage network. Even without being homeowners having a vested interest in rejection of these plans, anyone can see that the proposed is simply over-development of the site and not at all in keeping with the historic character of Arundel that so many come here specifically to enjoy.

Many thanks for your consideration. If you could please email confirmation of receipt of this objection we would be grateful.

Regards,
Mark & Heather Howell
