Dear Andrew Wood.

I am writing regarding the proposed flats above the garage, 70a Tarrant Street.

I am concerned on two levels. Firstly the parking, which is already stretched beyond breaking point. Parking is one of the most vexing problems in Arundel and causes more neighbourhood quarrels than anything else. To build 2

extra flats on top of a garage will just add to the the pressure. Especially as most households have more than one car nowadays

More importantly though, the flats will totally block out any light into the lounge of [REDACTED]. Well known in the town [REDACTED]

[REDACTED] The roof was put in by the [REDACTED] I would urge anyone who is in a position to grant permission to go and visit [REDACTED] and see first hand how this will impact [REDACTED].

With many thanks for taking the time to read this.

Best wishes
Alison Griffin
