Dear Mr Wood

I am writing to formally object to the above planning application.

I live close enough to the property in Tarrant Street to know the area very well. Therefore the style of this proposal seems completely out of character of anywhere in Arundel. There are no measurements whatsoever on the plans

but what I object to is why squeeze in a modern property just for the sake of it! Two tiny flats above a double garage? Juliette balcony?? Completely not in keeping with the historic houses of Tarrant Street.

This is not London where everyone if they can builds apartments above garages and sadly that is what it looks like!
