Subject: 70a Tarrant Street

Dear Mr. Wood,

Ref: AB/118/20/PL

I am writing to object to the above planning application. I have listed my objections below, but would rather not, if at all possible, have my details posted on the internet. Obviously, if it is not possible to object without doing so, then please go ahead,

I would be grateful if you could confirm receipt of my email.
Yours sincerely,

Objections to the development of 70a, Tarrant Street

- the proposed development of the site will block out light;
- the development will have a negative impact on views enjoyed from the rear of a number of properties backing on to the garage;
- the proposed development is not in keeping with the houses on Tarrant Street;
- over-development of the site;
- impact on parking;
- some properties within the immediate site development will be more seriously impacted in terms of loss of light and privacy - the next door neighbours, particularly so.
