Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AB/118/20/PL
Site Address: 70A Tarrant Street Arundel BN18 9DN
Description of works: Extension to form 2 No. self contained apartments. This application may affect the setting of listed buildings, affects the character & appearance of the Arundel Conservation Area & is in CIL Zone 2 & is CIL Liable.

Thank you for your internet representation made on 8th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32041

This is a case of overdevelopment and unnecessary building in this part of Tarrant Street. The development will adversely affect those who already live in the area, affecting views and the general appreciation of beautiful architecture in this area. It seems every last spare piece of land and skyline in Arundel needs to be filled by another development, can the natural resources such as waste water cope? What about parking? Outdoor space for mental health and well being? I strongly object to this planning application.

Your views as made above will be considered before the application is determined.
