Subject: Objection/appeal

Dear Mr.Wood

Ref AB/118/20/PL 70a Tarrant Street

Objection to two flats to be built above garage.

I live about 100 yards from the site, so my objection is not from personal interest, but I am well aware of the situation, which is an unusual and tragic one.

I feel that the developer may not be aware that:

The owners of the house next door, and immediately adjacent to the site [REDACTED]. They have lived there for decades.

[REDACTED]

If the flats are built, there are several possibilities of real danger, or at least highly debilitating annoyance to [REDACTED]

1. Light will be obstructed to the essential skylight, which is on the ground floor
2. The garden, now private (essential to an invalid) will be overlooked
3. The construction site is literally about 12" from his head, through the party wall. The noise involved will be unbearable [REDACTED]

If these plans are passed, the noise and air pollution plus deprivation of light, will be intolerable, [REDACTED]

[REDACTED]

Your sincerely
Ann Sutton
