Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AB/118/20/PL
Site Address: 70A Tarrant Street Arundel BN18 9DN
Description of works: Extension to form 2 No. self contained apartments. This application may affect the setting of listed buildings, affects the character & appearance of the Arundel Conservation Area & is in CIL Zone 2 & is CIL Liable.

Thank you for your internet representation made on 18th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32279

As a long time resident of Arundel (30 years) and a previous resident of 89 Tarrant Street, I wish to register my reasons for objecting to this application. It will affect the character and appearance of the Arundel Conservation Area. It is an over-development of the site, and not in keeping with the historic character of Arundel. It is an excessive infill which will increase the already limited local parking availability, abuse the water table and the sewerage network. It will cause significant loss of daylight to adjoining properties, and abuse their privacy. I would however support the conversion of the existing building into residential at the same height if this was to be put forward. Thank you

Your views as made above will be considered before the application is determined.
