Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: AB/118/20/PL
Site Address: 70A Tarrant Street Arundel BN18 9DN
Description of works: Extension to form 2 No. self contained apartments. This application may affect the setting of listed buildings, affects the character & appearance of the Arundel Conservation Area & is in CIL Zone 2 & is CIL Liable.

Thank you for your internet representation made on 24th December 2020 which has been recorded as an objection with the comments as follows:

OWPC32434

Being born in Arundel in the mid 60s and having lived and worked in Tarrant Street for over 30 years I have witnessed the many changes of 70a.

Firstly as a cycle shop ,various offices, outdoor pursuits retail unit and garaging.

The one thing that has not changed is its low level and that it sits back from the road comfortably in its space, it does not interfere with its neighbours in any way.

I object to the applied planning for the following reasons -

The lack of light and privacy to the adjoining and adjacent properties.

The visual impact of a clearly over developed site in the Conservation Area,particularly the not in keeping Juliet balconies.

The burden on an already overwhelmed Victorian sewage system.

The extra parking it will bring in a part of Arundel where it doesn't exist.

This does appear to be a development for profit alone which would would bring huge visual impact and little charm.

Yours sincerely,Graham Denyer.

Your views as made above will be considered before the application is determined.
