## Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

Yes  
 No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

I would like to add a cabin to my rear garden. The cabin will be within criteria for Permitted Development (e.g. height 2.4 metres). I understand I need permission for myself or guests to sleep overnight in the cabin which is what I am requesting. The cabin will NOT be a self-contained dwelling and will depend on existing facilities (toilet, shower and kitchen) from the main dwelling (my house)

Does the proposal consist of, or include, a change of use of the land or building(s)?

Yes  
 No

Has the proposal been started?

Yes  
 No

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The land is my rear garden with all standard lawful uses. I will not be extending existing buildings, simply adding a cabin to the rear garden (within permitted development criteria). I believe it is a lawful and reasonable use of my land to be able for myself or guests to sleep in a structure in my private garden.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

1. Title plan
2. Drawings of proposed siting of cabin in rear garden
3. Drawings showing measurements of proposed cabin

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

### Information about the proposed use(s)

C3 - Dwellinghouses

Is the proposed operation or use

Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed cabin is within permitted development criteria. The cabin will NOT be a self-contained dwelling. I would like the option of myself and guests sleeping in the cabin if needed. I believe this is a lawful use and do not anticipate any significant effect on neighbours if the certificate is granted.

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

The agent  
 The applicant  
 Other person

## Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

Yes  
 No

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes  
 No

Please state the applicant's interest in the land

- Owner
