Technical Support Unit on extn. 37711
30th January 2019

Dear Andrew Gale

Development:

A1 row of self-sown Ash and Sycamore along the strip of ground south of the school:

- o Fell approximately 35m of self-sown Ash and Sycamore
- o Treat stumps with ecoplugs

The row of trees have now reached the fabric of the building and potentially could cause damage; they also block light to the adjacent classrooms during the summer months.

Their removal will abate the above nuisances and as such there is no scope to replant.

Location:

St Philips Roman Catholic Primary School London Road Arundel

Thank you for your application submitted via the internet on 25th January 2019. It is being dealt with by the Technical Support Unit and has been allocated the reference number
