Dear Harry,

Ref: AB/11/22/CLP

Further to your conversation with my partner Adrian earlier today, please find confirmation of the requested details below.

Wall running East from House to Pavement:

I confirm that the proposed alterations will not involve making the wall higher than 1m in height.

New landscaping to Front of House:

I confirm that the proposed non-porous hard-standing will be 3.6sqm.

This is a net reduction of 5.4sqm of non-porous surfaces to the Front of the House, as the existing non-porous hard-standing is 9sqm.

Please let me know if you require any further details. I look forward to your decision.

Best,

Suzanne
