Hi Amber

There is just 1 birch to reduce which was on the original application. Sorry for any confusion.

That is all the trees on the plot. The rest are shrubs and creepers/brambles

Apologies for not replying have been very busy on clearance sites. Sorry about that and thanks for getting back. The jobs just a small one as it's overgrown and people are moaning about the overhang on the road where everyone parks. It's mainly hedge cutting but they wanted these small reductions and the cherry out at the same time

Many thanks
Dan

Dear Mr Holder,

I emailed you in October regarding your application AB/122/17/TC as I required further information however I have not yet had a response. Would you still like to proceed with the application?

Originally, your application stated works to a Birch and Cherry tree and works to various trees within Group 1. In the email reply I received the Birch tree was not mentioned, do you still intend to apply for works to this tree?

The works proposed currently are:

Magnolia- remove the lowest limb

Rowan- reduce by 1m to shape

Cherry to fell

Crab Apple reduce by 1m.

Thank you

Amber Willard
