Thank you for your internet comments made on 20th January 2012 and recorded as follows:

The Committee objected to the application on the grounds that the proposal would be likely to form a distraction to passing drivers that would have an adverse impact upon the safe and efficient operation of this part of the strategic road network

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully
